Sirs

Do you have any information that would confirm the association of Voytek Frykowski and George De Morenschilt?

Frykowski was a victim in the Manson murders and De Morenschilt was a friend of Lee Harvey Oswald and committed suicide in 1977 when it appeared that he was to be subpeoned by the House Co mittee on Assassinations.

I am investigating the connection of the Manson case with the Kennedy assassinations and would appreciate any assisstance.

Thank you
